

Light in the Shadows

OCTOBER 2013

"Let your light shine before men, that they may see your good deeds and praise your Father in heaven." Matt. 5: 16

A Time of Growth

To everything there is a season, to everything there is a time, a time for every purpose under heaven.

This paraphrase of Ecclesiastes comes to mind at this moment in our parish life. During the first half of the Church Year we follow the story of our salvation history. From the First Sunday of Advent through the Feast of Pentecost we join in the story, the story of preparation, of Incarnation and manifestation, of redemption and of the indwelling of the Holy Spirit in our beings with a new

fullness. On Trinity Sunday our worship celebrates our (limited) understanding and knowledge of the nature and being of God who created us (Father) and redeemed us

(Son) and who is the indwelling Life within us (Holy Spirit). During the Sundays after Pentecost our lessons at the Eucharist, and in particular our Gospel readings, focus upon Jesus' teaching. So we spend the first half of the year living into our Gospel story and the rest of the year being disciples (students) learning what it means and is to live into

the Gospel story and to be a part of the Life of the One who is the Journey and the Journey's end as He brings us to the place in the Kingdom of God that from the beginning of creation has been prepared for us.

During the Christmas and Easter seasons and on the Feast of the Holy Trinity our liturgical color is white. This is the color proclaimed over and over again in the Bible as the holy color of God. All who see visions of God or of the Risen Christ see them arrayed in dazzling white. White – the color of the Holy. During the Pentecost season our liturgical color is green. Green – the color of the plant life around us, the color of life and growth. And so, as we focus in the Liturgy upon learning to be Christ's followers and to be sent into the world to proclaim the Good News of

St. Luke's Annual Blessing Of Pets Will Be Held On October 5th

The **Blessing of Pets** will be held on Saturday, **October 5**, beginning at **10:00 a.m.**, on the back lawn at **St. Luke's Church**. This special event is held annually on the Saturday falling closest to October 4, which is the *Feast Day of St. Francis of Assisi*. St. Francis is known for his love of the larks flying about his hilltop town. The story goes that he and his early brothers, staying in a small hovel, allowed themselves to be displaced by a donkey. St. Francis founder of the Order of Friars Minor (Franciscans) who died on October 3, 1226, once said, *"If you have men who will exclude any of God's creatures from the shelter of compassion and pity, you will have men who will deal likewise with their fellow men."*

All pets and their owners are invited to participate in this service to both honor and give thanks for the special role pets play in our daily lives. In addition to receiving a blessing by the priest, each pet will be given a tasty treat and a St. Francis pet medallion which features the image of the patron St. Francis of Assisi. In the event of rain, the blessing will move indoors to Willard Hall.

From the Senior Warden

One Small Question

I have a question about the sheep in the picture of Christ that hangs on the wall behind the baptismal font in the sanctuary. It's very similar to the little marble statue in the Sunday School room, with the sheep on the shoulders of the shepherd. This is the sheep that was lost, straying far from the flock and vulnerable to attack. In the picture, it is Jesus who rescues a little lamb, carrying it back to safety in his arms, jubilant with the find. We are called to find the lost sheep as He did. My question is the "how" of it.

There is poverty and disability and discouragement in our communities, teenage mothers and unemployed dads angry and fearful. Critical services and benefits are being cut. There are lost sheep all around us. I know that Christ would save each one of them, taking away the worry and exchanging it for hope because He hears my prayers and answers them. He would answer the prayers of all these suffering people, too, but they don't know to pray. And I, as an old-fashioned Episcopalian, haven't any idea of how to teach them. How do I begin to tell them about Christ? What can I say that will make them choose to listen to my good news? I need to take Evangelizing 101.

I'm asking for guidance on this, hoping God will make this all clear to me, because I've found a bunch of lost sheep, and I don't quite know what to do with them. Pray for wisdom for me.

*With gladness and singleness of heart,
Kathryn*

St. Luke's New Office Hours

Starting in October St. Luke's office in Willard Hall will be open **Monday, Tuesday and Friday from 9:30 a.m. to Noon** on a trial basis (with the exception of Tuesday, October 8 when there is a Cat Spaying Clinic scheduled.) Lisa Crocker and Jean Hancock will be part of an Office Guild, being formed to manage the office during these hours and be available to answer calls and handle organizational tasks that need to be put in place. Rev. Carole will also be available by appointment on Mondays and Tuesdays. Office Phone is 876-6000. Rev. Carole's mobile phone number is (802) 881-5535.

A Time of Growth

(continued from page 1)

salvation, and as we find ourselves in our parish life at this moment to be at a point of transition, the green of growth is the very appropriate image to express ourselves.

Times of change can be scary and frightening. It is our inherent nature to resist change and to struggle with and fight growth. Growing is not easy and doesn't come without effort and pain. At this moment in our collective life we stand at a point of decision, the same place that we often find ourselves at in our personal lives. Do we make the jump into new life and being with the full faith that

God is calling us into new life? Or do we resist and slink back into the old ways and habits of being that feel so familiar and comfortable? Or do we flee and hide from all of the uncertainty and turmoil that growth entails? This is our challenge.

I invite you, each of you, to join together as we, Jesus' disciples (students), journey with Him into the world and into our future as His apostles (as those sent forth) growing into the fullness of being. A time of change, it is indeed a time of growth and excitement. May God be with us and hold us in His hands as we journey upon the Way.

*Blessings,
Fr. Sanford*

September Vestry Meeting Highlights

With summer over, the September Vestry Meeting was more of an organizational one—bringing people up to date on past projects, reviewing lingering details that still needed attention, and planning for the months ahead.

UPDATES:

- **Church Musician.** The search continues for a new Church Musician who can fill our needs and work with a small parish and limited salary.
- **Willard Hall.** A detailed punch list is being created to address outstanding renovation components. A decision needs to be made on the main purpose of each of the two side "classrooms" (i.e., classroom, nursery, meeting space, etc.) so furniture and cabinets can be allocated to function well. A committee will be formed to make that decision, and all suggestions are welcome. Lights in the main room need to be covered to minimize glare. The furnace room needs to be emptied, painted to seal in moisture, and reorganized. The music and archive files in that area need to be repositioned for better access.
- **Convention Delegates.** Jean Hancock, Mike Saul, and Kathryn Wright are registered, but no Alternates were

elected [Mike Saul's recent decision to move to Connecticut may prevent his attendance].

PLANNING AHEAD:

• **Stewardship.** Bill Hoyt and Peter Rosengarten reviewed past stewardship campaigns (Tree of Life, Count Your Blessings, Keep the Red Doors Open, etc.). The committee will be meeting to plan an inspiring theme to encourage parishioners to continue to support the church to the best of their ability and to increase their donations, if possible.

• **Office Guild.** Pastor Carole is hosting a lunch discussion with potential volunteers and office professionals to organize procedures and schedules that would allow the office to function well and sustainably over time and to be open at least some days during the week. All ideas and volunteer help will be enthusiastically received.

• **Children's Ministry.** Pastor Carole has scheduled an initial meeting with interested parents and parishioners to consider how to get programs for children started this fall with increased volunteer participation.

• **Sale on the Green and Screen.** Both events were discussed. Sale on the Screen has been going well. Activities planned for Saturday September 21 during the Fall Festival's Sale on the Green included having the church provide free coffee and popcorn, along with a Scavenger Hunt with a drawing for a LEGO prize for participants, to encourage members of the public to visit the church and grounds.

• **Lighting walkway to rear parking lot.** Vestry members and program attendees have had a hard time seeing the path and parking lot at night. Richard Crocker was authorized to seek an estimate to purchase and install a tall post light and sensor light at the end of Memorial Garden to lessen that problem.

UPCOMING PARISH EVENTS:

• **Parish Retreat.** The retreat, originally scheduled for early November was canceled. There have been two relatively recent all-parish meetings involved with the search for a new rector, and there is still much to do to finish projects, start new initiatives, and get ready for the upcoming holidays and Christmas Tea. The Vestry felt there was too much going on to consider a retreat this fall.

• **Wreath Workshop Dates:** Thursday November 21, 6:30-8:00 p.m.; Friday November 22, 9:00-10:30 a.m. and 1:00-2:30 p.m. (no Friday night session); Saturday November 23, 9:00-10:30 a.m.. Please read the article on page 5 for more detailed information.

Next Vestry Meeting. Join us on Monday, October 14, Columbus Day, if you can. The meeting focus will be on "Communications & Publicity."

God's Grace

Our Interim Rector, Carole Wageman shared a copy of her sermon of September 15th with me which she does every Sunday because of my hearing impairment. It was timely because she summarized her observations of the All Parish Appreciative Inquiry held the previous Sunday with approximately 30 members in attendance. As Carole explained she opted to stay out of Willard Hall as did other clergy so that they would not unduly influence our discussions. However, she purposely joined us when we began reporting out our responses to four key questions.

1. When have you felt that St. Luke's was doing God's work and fulfilling our mission?
2. What 3 things do you value most in our congregation?
3. Remember a time in your life when you really appreciated the ministry of a priest.
4. What 3 exciting, energizing and important things will St. Luke's accomplish during the next 3 years?

Here are excerpts of her sermon about what she heard, saw and felt. "What I saw were smiling faces, people energetically standing up quickly to report out their tables; asking others at their table to have their say so all ideas would get included. What I heard was laughter and ideas and enthusiasm and head nods when a new idea surfaced and excitement in your voices and hopes for new ideas to flourish. What I felt was enthusiasm, engagement, amazement, astonishment and admiration for you and wonder at how the Holy Spirit was blowing through the room. It was contagious! It was a completely different church than what I expected. This was a church that was exciting and engaging and willing to think outside the box. I would want to belong to that kind of church. This was a faith community with hope, endurance and having fun discovering God's vision. It was the Spirit of God having fun with you and you having fun letting the Spirit in. I came into that room with fresh eyes and not knowing what had taken place. This is what I experienced. It is a witness to the power of God at work in hearts, minds and souls at St. Luke's."

The Ministry Discernment Committee has completed the ingathering phase of our search. Thank you all for your commitment and your patience. As you read this we will have met again with our Diocesan Companion, Ann Cooper, to process your words and seek a framework for creating a comprehensive Parish Profile.

St. Luke's Opened It's Door To Visitors on September 21...

During the annual September Fall Festival on the Green in Chester, St. Luke's normally holds their Fall Tag Sale on the side lawn. This year we took a new approach (as you have been reading in previous LITS) and initiated "The Sale on the Screen." Rather than lose this great opportunity to be a visible presence in the community, Vestry members, Andrew Pennell and Richard Crocker came up with the idea of offering free popcorn and coffee and to invite visitors into our beautiful sanctuary. Additionally, Lillian Willis

came up with the fun idea of a "Scavenger Hunt" for kids and to offer a LEGO prize to the winner. About eight kids and their parents participated in the Scavenger Hunt, held between 10:00 a.m. and noon. The kids were given a list of items to locate both inside and outside the church, with instructions to look but not touch. Questions included: "What does the statue of St. Francis have on his hand?" "How many buttresses are there in the sanctuary?" "How many narrow stained glass windows are there?" (Parents were a help in explaining what buttresses are to the younger children.) When each child completed their list they then got to ring the church bell and were given a ticket for the LEGO prize drawing held at noon.

Throughout the morning visitors dropped by, chatted and viewed the sanctuary. Some stayed a few minutes and said a prayer. A few commented that they really missed the Fall Tag Sale because of the many bargains to be found there, but overall it was a wonderful morning. Richard is already talking about plans for next year.

Save the Date: Holiday Wreath-Decorating Workshops on November 21-23

Get ready for the holidays with friends and families by decorating a pre-made evergreen wreath with specially collected greens, natural materials, bows, and other decorations, plus all the wire, glue guns, and equipment necessary to make the decorating fun and successful. Open to the public, as well as friends and parishioners, the workshops will take place in **Willard Hall** and once again benefit both the church and the Chester Conservation Committee.

So mark your calendars now, spread the word, and contact me to reserve your spot. Space is limited, so people must pre-register. Choose from four different workshop sessions:

- **Thursday evening, November 21, 6:30-8:00 p.m.**
- **Friday, November 22: 9:00-10:30 a.m. or 1:00-2:30 p.m.**
- **Saturday, November 22, 9:00-10:30 a.m.**

Each session will offer homemade refreshments, great camaraderie, and all the essentials to create a very personal, one-of-a-kind wreath. Men and women are welcome to come alone or register with a friend or group. **A \$5 early-bird discount will apply to those who preregister and pay by Monday November 4.** The fee per wreath is anticipated to be \$40.

Checks should be made out to: St. Luke's Church, designated 'for the wreath workshop', and sent to Lillian Willis, P. O. Box 318, Chester, VT 05143, or put in Lillian's mail slot at the back of the church. For more information, please feel free to call 875-1340 or email me. lbwillisct@comcast.net.

Please also let me know if you have glue guns, clippers or wire cutters to lend for the workshops or special ribbons, decorations, or natural materials to donate – such as shells, unusual pine cones, berries (bayberries, juniper, ilex verticillata, etc.), milkweed pods, and any evergreens (white or Scotch pine, holly, boxwood, blue spruce, cedar, juniper, arborvitae, rhododendron, etc.). Those berries and greens should be cut closer to the workshop dates, and I would be happy to help with that task if you would like assistance. Please also let me know if you are willing to decorate one or more additional wreaths at the workshops that can be sold to the public.

Last year, because we sold additional decorated wreaths to parishioners and the public, we were able to donate \$100 to the Chester Conservation Committee which was applied to a conservation camp scholarship for a student from Green Mountain Union High School and we netted just under \$800 to offset St. Luke's operating expenses. This is a great opportunity for people to support two good causes, start getting ready for the holidays, and have fun doing it! Hope you can participate! —*Lillian Willis*

Participants of the 2012 Wreath Decorating Workshop proudly show off their artistic endeavors. Be sure to sign up early (by Nov. 4th) to save a spot and get a \$5 discount.

Operation Christmas Child Countdown

Thank you to everyone who participated in the Operation Christmas Child Workshop held in September. We are planning to hold two more workshops before the collection week in November. Our workshops will be on Friday, **October 18** and **November 15**, from **2:00-7:00 p.m.** in Willard Hall. Refreshments will be served. No special talent or skill is needed to participate. If you can color, cut and glue, we need you! Please drop by for a few minutes or an hour or two. Everyone is welcome.

On **Sunday, November 17**, we will be having an Operation Christmas Child "Packing Party" after the 10 o'clock service that morning. We could use lots of extra hands so please plan to come help us fill up the shoeboxes. Any items that can be used to fill the boxes will be welcome. We still need lots of pencils, crayons and paper as well as other types of school supplies. Also soap, toothbrushes, wash cloths and any types or sizes of clothing will be accepted.

Since 1993, more than 100 million boys and girls in over 130 countries have experienced God's love through the power of simple shoebox gifts from Operation Christmas Child. Samaritan's Purse works with local churches and ministry partners to deliver the gifts and share the life-changing Good News of Jesus Christ.

Thank you again for any help you can give us with this worthwhile project.—*Cindy*

UTO Ingathering On Oct. 20

United Thank Offering (UTO) is a ministry of the Episcopal Church for the mission of the whole church. Through United Thank Offering, men, women, and children nurture the habit of giving daily thanks to God. These prayers of thanksgiving start when we recognize and name our many daily blessings. Those who participate in UTO discover that thankfulness leads to generosity. UTO boxes and envelopes can be found on the table at the back of the church or from our contacts, the Harrisons. It may be too late to fill a blue box for this year's collection, but do pick one up and begin saving for 2014. The annual "Ingathering" takes place on Sunday, **October 20** (The Feast Day of Saint Luke) during the offertory. Make checks out to St. Luke's Church with a notation for UTO.—*Norm Harrison*

Remembering Saint Luke The Evangelist

On October 18, many Christian denominations, commemorate Saint Luke, author of the gospel that bears his name, and its sequel, the Acts of the Apostles. Here at St. Luke's Church we will celebrate **Saint Luke's Feast Day on Sunday, October 20th.**

"Born to pagan Greek parents, and possibly a slave. One of the earliest converts to Christianity. Physician, studying in Antioch and Tarsus. Probably travelled as a ship's doctor; many charitable societies of physicians are named for him. Legend has that he was also a painter who may have done portraits of Jesus and Mary, but none have ever been correctly or definitively attributed to him; this story, and the inspiration his Gospel has always given artists, led to his patronage of them. He met Saint Paul the Apostle at Troas, and evangelized Greece and Rome with him, being there for the shipwreck and other perils of the voyage to Rome, and stayed in Rome for Paul's two years of in prison. Wrote the Gospel According to Luke, much of which was based on the teachings and writings of Paul, interviews with early Christians, and his own experiences. Wrote a history of the early Church in the Acts of the Apostles."¹

In the gospel's introduction, Luke demonstrates his concern for accuracy: "I ... decided, after investigating everything carefully ... to write an orderly account ..." (Luke 1:3, NRSV). He also carefully sets the historical context for his much-loved telling of Jesus' birth, naming specific rulers to help us know the approximate date (Luke 2:1-2).

In Acts, Luke recounts the ministries of the earliest Christians, including a detailed travelogue. In some chapters, Luke writes in the first person, indicating that he was, at least some of the time, among the first apostles.

Colossians 4:14 calls Luke "the beloved physician." According to tradition, he was also a painter and created the first icon of Jesus' mother, Mary.

Change Happens

When we tell ourselves "I can never change" or "That will never happen," we presume too much and believe too little. In Jesus Christ, God renders all of our final conclusions premature and all of our talk of determinism as simply bad faith. In Christ, God opens closed doors, brings resurrections, reveals possibilities, reclaims the lost, liberates the cursed and possessed, and changes the unchangeable. —*Don Shelby*

Sale on The Screen Is Going Strong

As you may have read we did not have a Fall Tag Sale, as we have done in the past, on the weekend of Chester's Fall Festival. On the Saturday of this event (September 21) **Andrew Pennell** and **Richard Crocker** treated visitors to free popcorn, coffee and invited them to step inside the red doors and view our beautiful sanctuary if they so desired. Many did and some even took time to say a prayer or two. **Polly Montgomery** and **Kathryn Wright** were also on hand to help with the popcorn and to greet visitors. Meanwhile, **Lillian Willis**, with the assistance of her granddaughter, Carter, directed a "Scavenger Hunt" for children with a LEGO prize drawing at noon. (See photos and article on page 4.)

This year's new format dubbed, "*Sale on the Screen*," where items are listed online for sale through "craigslist" and our church website, is proving to be very successful. Listing items that have an anticipated minimum value of \$50 has to date raised over \$1000. We have sold everything from a ping pong table to a Bradford Voight watercolor. We currently have two mid-19th Century Mahogany

that have already donated or helped in this effort. —**John DesLauriers**

Low-Post Twin Beds (appraised value \$700), three antique folding chairs, a bicycle, a collection of 17 demitasse cups and saucers to name a few. Additional items will be accepted through the month of October, so keep looking around for those valuables you no longer have a use for and call, e-mail or even talk to myself, Lew Watters, or Andrew Pennell and thanks to all those
